I certify that the above information is correct to best of my knowledge.

Date:

Place:

(Signature of the Applicant/Nominee)

Best Water Resources Student Award (Code: IWRSA-BWRSA-20...):
(Please submit 04 copies)

1. Name of the student in full :
2. IWRS Membership No.:
3. Date and place of birth:
4. Present postal address:
5. Telephone, email, fax etc.
6. Educational qualifications beginning with the first-degree or equivalent (in a tabular form)

Certificate/Degree	Institution/University	Year	Percentage	Division

7. Date on which Ph.D. degree was awarded:
8. Details of the thesis research submitted for the award
 - (i) Title of the thesis
 - (ii) Department/Division/Institution where research work was done
 - (iii) Institution/University to which thesis was submitted as a part of the Ph.D. degree programme.
 - (iv) Name, Designation and contact details of the thesis supervisor
 - (v) Research problem: Brief description, scientific, technological, societal relevance and priority (limit to 1 page)
 - (vi) What standard methods and modern procedures were used in the experimental work? (limit to one page)
 - (vii) Were any special tools/procedures specially developed for the thesis research? Yes/No if yes give information (limit to one page)
 - (viii) Briefly describe the significant results obtained? (not more than 1 pages)
 - (ix) In what way these results have made an original contribution to water resources
 - (x) List the publications (published/accepted) that have arisen from this research work giving in SCI Journal with their impact factor? (Please attach hard copies as well as send the soft copies in pdf format to the society through email: secretaryiwrs@gmail.com published research papers in reputed peer reviewed Journals. However, do not attach any research paper under review/ presented/published in the proceedings of the seminar, symposia and conference etc.)
9. Whether any patents have been taken/applied for (give the details)
10. A concise statement (about 150 words) highlighting the most significant aspects of the research work done that you would like to see in your citation of award, if chosen.
11. Certificate by the student
It is to certify that the studies carried out in the dissertation for the award of Ph.D. is the original work of the undersigned.

Signature

12. Certificate by the supervisor that the information submitted has been verified and true
It is to certify that the student has carried out aforementioned Ph.D. dissertation under the supervisor of the undersigned.

Signature
Name and Designation
